Q: Are the number of memberships in the Club limited?

A: The number of Full Golf memberships is limited to 450.

Q: Who is eligible for membership?

A: Memberships are offered to residential purchasers and owners of homes at Grand Haven and such other persons as the Club determines appropriate from time to time.

Q: What are the costs to become a member?

A: Membership requires a one-time payment of an amount called an "Initiation Fee" at initial membership and on-going annual dues. The Initiation Fee must be paid in full upon joining the Club. See current Membership Fees and Dues Schedule.

Q: What are the special features and benefits of membership?

A: Unlike "Equity" Clubs, the membership fee paid by Full Golf members is refundable upon resignation and reissuance of the Membership by the Club less an applicable transfer fee. In addition, Full Golf Memberships owned by Grand Haven residents may be resold to a new owner through The Club. This is an important feature because the number of Full Golf Memberships in the Club is limited and the subsequent purchaser of your property can be guaranteed the availability of this membership in the Club. With a Family Membership, a Member's immediate family which includes the Member's spouse and their unmarried children under the age of 23 who are either living at home or attending school on a full-time basis may use the Club Facilities. Finally, Members are not subject to either operating deficits or capital assessments for the clubhouse and golf course, which means they do not have to worry about paying for this added expense in the future.

Q: Can classification of membership change?

A: Yes. If a Resident member sells their property at Grand Haven and wishes to remain a member the membership would automatically revert to an Invitational (recallable) status. If an Invitational Member becomes a Grand Haven Resident they must convert to a Resident Member. In either case, Full Golf level is subject to availability. Certain restrictions apply, so please see the Membership Director at the Club.

Q: May members invite guest to the Club?

A: Having your friends enjoy the Club's facilities with you is a wonderful attribute of Membership. Therefore, Members are encouraged to invite guests to the Club subject to reasonable rules and regulations adopted by the Club.

Q: Do you have to join the Club if you live at Grand Haven?

A: The initial membership Fee for Club Membership is included when purchasing a new property at Grand Haven and there are no dues charged by Hampton Golf for this level of membership. Participation in a nominal Food Minimum Program is required. All other Golf Memberships are optional. See the Membership Director for details.
